FROM THE PRINCIPAL'S DESK

Early Students

We are having an issue with students arriving at school too early. Classes open at 8.35. We expect students who arrive prior to then to sit in the undercover area, however students should not arrive at school prior to 8.15. We have had recent instances of students arriving at 7.30 and this is unacceptable. We don't have staff to supervise children then.

If parents need to explore the option of before school care, please see the front office for details.

Students Leaving

We are close to finalising classes for 2018, and accurate numbers of enrolments are essential. If your child will not be at Kewdale Primary School next year, please let us know. This is important in all years, but is particularly so with year 5s moving into year 6. Our funding is directly related to our enrolments and decisions made on inaccurate numbers can have major implications next year, including the possibility of a term 1 re-structure, which nobody enjoys.

Inter-School Sports

Our Inter-School Athletics is next week, with the Jumps and Throws on Thursday and the Carnival proper on Friday. The venue is the Gerry Archer Athletics Track. The Carnival will commence just after 9.00 am, and should conclude by just after midday. Parents are most welcome to come along and support their children, and our school.

Thank you to Mrs Piani for her great work in organising the team and their training.

A Bit About CanTeen

CanTeen helps young people cope with cancer in their family. Through CanTeen, they learn to explore and deal with their feelings about cancer, connect with other young people in the same boat and – if they've been diagnosed themselves, we provide specialist youth-specific treatment teams.
