SCHOOL DRESS CODE

1. Purpose/Rationale

Our school strives to ensure it has a school culture where students feel proud to belong to Kewdale Primary School. All children are required to wear the school uniform, as per the School Dress Code which is endorsed by the School Council and supported by the P&C.

2. Scope/Application

The Dress Code covers the procedures for students to follow with what they wear at school.

3. Background

The School Dress Code is part of enrolment at Kewdale Primary School. It sets out the expectations of the school and the community and parents/guardians are asked to support this Policy.

4. Definitions

6. Guidelines

- Wearing school uniform reinforces in students a pride in their own appearance and promotes equality and inclusiveness.
- A school's dress requirements play an important role in developing a positive image of the school community and creating a sense of identity among students.
- The benefits of dress requirements include enhancing the safety of students through easier identification, particularly when on school excursions and travelling to and from school; keeping costs of clothing within reasonable limits for parents and assisting students to learn the importance of appropriate presentation.
